

November 2011

School is well underway and our students are fully engaged in academics, athletics, band, and all of the other extra-curricular activities offered at Scurry-Rosser ISD.

As we head into the holiday season, I am reminded again of our proud heritage in America. We celebrate many different holidays and events every year but none are more important or more precious to us than Veteran's Day, Thanksgiving Day and the Christmas holidays.

We have former students and family members in harms way throughout the world and our prayers remain with them. Hopefully, being thankful is a way of life and we have an opportunity each year to stop and consider the blessings of living in America.

The Christmas season means many things to many people. My faith makes it possible to celebrate and worship in an especially meaningful way during this wonderful time of the year. My prayer for all of the Scurry-Rosser ISD family is for safety, continued success as a school district, and for all of us to stop and consider the advantages of living in this wonderful country.

May you all have a blessed Holiday season.

Mr. Oakley
